

PTSA-Teacher Wish List

Every year Pioneers' PTSA sponsors the Teacher Wish List. The Wish List program is a way of granting teachers "wishes" by supplying their classrooms with supplies and materials they need. This program has been very successful in the past and this is due to the large number of Pioneer families that have joined PTSA as well as the school supplies that have been donated. Pioneer High School is one of the top schools in our district. Our students API scores have gone up year after year making our school one that is in demand for many of the students in our area. An important part of the schools success is our teachers and their being able to enhance their curriculum by having the tools they need. Our teachers do an outstanding job and the Wish List is one way to show our appreciation and support for all they do.

Look for future information as to how you can show your support in saying "Thank You" to our wonderful teachers. Also, be sure to join the Pioneer PTSA today!

Look on the school website, www.pioneerhigh.org for a membership form to download and print.

Thank you,

Valerie Walker
